TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Peterborough, in the County of Hillsborough, in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the fourteenth day of March next, at eight of the clock in the forenoon (Polls close at 6:00 p.m.), to ballot for Town Officers and other questions required by law to be decided by ballot. Pursuant to the authority of RSA 39:2-a and the vote of the Town on March 10, 1970, all business other than ballot questions will be recessed until 7:00 P.M. Tuesday, March 21, 1978, at Peterborough Elementary School, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing. (By Ballot)

Article 2. To see if the Town will vote to adopt the provisions of RSA 76: 15a and RSA 76:15b providing for the semi-annual collection of real estate taxes, effective for the tax year commencing April 1, 1979. (By Ballot)

Article 3. To see if the Town will vote to adopt the provisions of RSA 72: 66 for a property tax exemption on real property equipped with a Wind Powered Energy System which exemption shall be in an amount of the appraised value of the equipment. (By Ballot)

Article 4. To see if the Town will vote to adopt the provisions of RSA 72: 43-B and 43-C for Expanded Exemptions on Real Estate which provides for a resident 65 years of age up to 75, a \$5,000.00 exemption; a resident 75 years of age up to 80, a \$10,000.00 exemption; a resident 80 years of age or older, a \$20,000.00 exemption. Provided that the resident owns the real estate individually or jointly with another or his spouse with whom he has been living for at least 5 years as man and wife; said resident had a net income of less than \$7,000.00 or combined income with spouse of less than \$9,000.00; and owns assets of any kind, tangible or intangible, less bona fide encumbrances, not in excess of \$50,000.00 (By Ballot By Petition)

Article 5. To hear the reports of Agents, Auditors and Committees or Officers heretofore chosen, and to pass any vote relating thereto.

Article 6. To see if the Town will vote to accept legacies and gifts to the Town in Trust or otherwise by any individual or individuals, or take any other action relating thereto.

Article 7. To raise and appropriate such sums of money as may be necessary for Town Office, Town House, Legal Expense, Street Lighting, Water Charge, Patriot Purposes, Vital Statistics, Local Planning, Town House Annex, Board of Adjustment, Health, Conservation Commission, Highway Summer, Highway Winter, Public Works Summary, Highway Garage, Police Department, Fire Department, Ambulance, Library, District Court, Welfare Department, Parks, Recreation Department, Sanitary Landfill, Civil Defense, and for any other charge arising within the Town.

Article 8. To see what sum of money the Town will vote to authorize the Selectmen and the Town Treasurer to borrow in anticipation of collection of taxes for the current municipal year and to issue in the name and on the credit of the

Town negotiable notes therefore; said notes to be paid in the current municipal year from taxes collected in the current municipal year and to raise and appropriate a sum not to exceed Twenty-Two Thousand Dollars (\$22,000.00) to cover the interest on the notes, or take any other action relating thereto.

Article 9. To see if the Town will vote to raise and appropriate the sum of Three Hundred Five Thousand One Hundred Five Dollars (\$305,105.00) for the paying of the Town debt and interest, or take any other action relating thereto.

Article 10. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set offs against budgeted appropriations for the following priority purposes and in the amount indicated, or take any other action relating thereto:

Appropriation	Amount
Public Works	\$22,030.00
Police Department	11,952.00
Fire Department	2,933.00
Library	3,144.00
Recreation Department	4,826.00
Solid Waste	2,115.00
TOTAL	\$47,000.00

Article 11. To see if the Town will vote to raise and appropriate the sum of One Thousand Four Hundred Sixty Dollars and Eighty Cents (\$1,460.80) provided that the State of New Hampshire appropriate Nine Thousand Seven Hundred Thirty-Five Dollars and Eighty-Five Cents (\$9,735.85) for construction or reconstruction of Class IV and V highways, or take any other action relating thereto.

Article 12. To see if the Town will vote to accept from the State of New Hampshire approximately Forty-Two Thousand Eight Hundred Twenty-Seven Dollars and Sixty-Eight Cents (\$42,827.68) in Block Grant moneys restricted to highway construction or reconstruction, or take any other action relating thereto.

Article 13. To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Three Hundred Forty-One Dollars and Sixty-Four Cents (\$20,341.64) to replace a 1972 International dump truck with plow and wing, or take any other action relating thereto.

Article 14. To see if the Town will vote to raise and appropriate the sum of Five Thousand Four Hundred Twenty-Five Dollars (\$5,425.00) to replace a 1973 International 3/4 ton pickup and plow, or take any other action relating thereto.

Article 15. To see if the Town will vote to raise and appropriate the sum of Two Thousand One Hundred Eighteen Dollars and Fifty Cents (\$2,118.50) to replace a 1973 1/2 ton pickup, or take any other action relating thereto.

Article 16. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to replace deteriorated guard rails on various Town bridges, or take any other action relating thereto.

Article 17. To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) to relocate a water pipe presently running under the library, or take any other action relating thereto.

Article 18. To see if the Town will vote to raise and appropriate the sum of Five Thousand Eight Hundred Fifteen Dollars (\$5,815.00) to modernize the electrical

wiring in the Town House, or take any other action relating thereto.

Article 19. To see if the Town will vote to raise and appropriate the sum of Two Thousand Eight Hundred Fifteen Dollars (\$2,815.00) to replace two hazardous electrical boxes at the Town House, or take any other action relating thereto.

Article 20. To see if the Town will vote to raise and appropriate the sum of Five Hundred Fifty Dollars (\$550.00) for repairs to the Town Clock, or take any other action relating thereto.

Article 21. To see if the Town will vote to authorize the Board of Selectmen to convey to Peterborough Industrial Development Corporation and Brookstone Company, Inc. whatever rights the Town may have under a certain Restrictive Covenant and Easement from Peterborough Industrial Development Corporation to the Town of Peterborough dated January 14, 1971, recorded in Volume 2112, Page 408 of the Hillsborough County Registry of Deeds, or take any other action relating thereto.

Article 22. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to paint the exterior of the windows in the Town House, or take any other action relating thereto.

Article 23. To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars (\$4,000.00) to replace the 1976 Police cruiser, or take any other action relating thereto.

Article 24. To see if the Town will vote to appropriate the sum of Twenty-Seven Thousand One Hundred Sixty Dollars (\$27,160.00) to acquire a new ambulance for the Fire Department, and pay for said ambulance as follows: raise the sum of Eighteen Thousand One Hundred Thirty-Two Dollars and Thirty-Five Cents (\$18,132.35), withdraw Seven Thousand Five Hundred Thirty-Seven Dollars and Sixty-Five Cents (\$7,537.65) from the Ambulance Capital Reserve Account, and accept One Thousand Five Hundred Dollars (\$1,500.00) from donated ambulance contributions, or take any other action relating thereto.

Article 25. To see if the Town will vote to borrow a sum not to exceed Two Hundred Thousand Dollars (\$200,000.00) to be used by the Library Trustees for the construction of an addition to the present library facilities, the details of such borrowing and repayment to be delegated to the Board of Selectmen, or take any other action relating thereto.

Article 26. To see if the Town will vote to authorize the Library Trustees to construct an addition to the present library facilities and hire the necessary architects, engineers and contractors to complete said addition and to use funds donated for library purposes to pay for that portion of the project not paid for by the Town of Peterborough, or take any other action relating thereto.

Article 27. To see if the Town will vote to raise and appropriate the sum of Twenty-Five Thousand Dollars (\$25,000) to acquire and equip a transfer station for solid waste disposal, or take any other action relating thereto. Equipment could include, but not limited to, compactor, ram, bailer, three phase power and an appropriate enclosure.

Article 28. To see what sum of money the Town will vote to raise and appropriate to contract for solid waste disposal and to authorize the Selectmen to negotiate contracts for solid waste disposal, or take any other action relating thereto.

Article 29. To see if the Town will vote to transfer and use the sum of Four Thousand Six Hundred Ninety-Five Dollars (\$4,695.00) from the income of the Albert W. Noone Fund for repainting Adams Pool and to purchase and install six additional park benches, or take any other action relating thereto.

Article 30. To see if the Town will vote to raise and appropriate the sum of Eight Thousand Five Hundred Dollars (\$8,500.00) for engineering and installation of a water booster station and storage tank for Hunter Farm Road, or take any other action relating thereto.

Article 31. To see if the Town will vote to raise and appropriate the sum of Fifty-Two Thousand Seven Hundred Eighty-Five Dollars (\$52,785.00) to construct a granite curbing and asphalt sidewalk along with necessary drainage along the southerly side of Union Street from Adams Playground to the Pearl Teixeira residence in West Peterborough, or take any other action relating thereto. (By Petition)

Article 32. To see if the Town will grant a fifty (50) foot wide right-of-way to the Square and Compass Club Inc., Peterborough, New Hampshire; extending in a Northwesterly direction, from the end of Evans Road, across Town property, to the line of property presently owned by the Square and Compass Club Inc., for the purpose of installing utilities and providing vehicular access to said property from Evans Road; any costs involved to be borne by the Square and Compass Club Inc., or take any other action relating thereto. (By Petition)

Article 33. To see if the Town will vote to grant to Monadnock Community Education, the use of the upper hall of the Town House Annex for daytime use at whatever rental fee may be determined by the Selectmen, or take any other action relating thereto. (By Petition)

Article 34. To see if the Town will vote to raise and appropriate the sum of Two Thousand Four Hundred Fifty Dollars (\$2,450.00) for electricity, heat, and insurance for proposed additional use of the Town House Annex, or take any other action relating thereto.

Article 35. To see if the Town will vote to raise and appropriate the sum of Five Thousand One Hundred Forty-Five Dollars (\$5,145.00) for the Monadnock Community Visiting Nurse Association, Inc., or take any other action relating thereto. (By Petition)

Article 36. To see if the Town will vote to raise and appropriate the sum of Two Thousand Sixty-Two Dollars (\$2,062.00) for the Monadnock Family and Mental Health Service, or take any other action relating thereto. (By Petition)

Article 37. To see if the Town will vote to raise and appropriate the sum of One Thousand Three Hundred Eighty-Five Dollars (\$1,385.00) for the Monadnock Region Association, or take any other action relating thereto. (By Petition)

Article 38. To see if the Town will vote to raise and appropriate the sum of One Thousand Two Hundred Dollars (\$1,200.00) for the Monadnock Community Day Care Center, or take any other action relating thereto. (By Petition)

Article 39. To see if the Town will authorize the Selectmen to Administer or dispose of any real estate acquired by the Town through Tax Collector's Deed, or take any other action relating thereto.

Article 40. To transact any other business that may legally come before this meeting.

Given under our hands and seal this Twenty-Seventh day of February, in the year of Our Lord Nineteen Hundred Seventy-Eight.

Article 6. Acceptance of Legacies and gifts or otherwise. Motion passed.

Article 7. Total appropriation under this article was \$741,041.50.

Article 8. Authorization to borrow in anticipation of taxes and interest appropriation of \$18,000. Motion passed.

Article 9. Borrow \$314,540. for paying Town debt and interest. Motion passed.

Article 10. Authorize the withdrawal from the Revenue Sharing Fund for use as set-offs against budget appropriations for the following purposes and in amounts indicated:

Public Works	\$39,129.00
Police Dept.	13,788.00
Fire Dept.	4,620.00
Library	5,515.00
Recreation Dept.	6,856.00
Landfill	4,620.00
	<hr/>
	\$74,528.00

Article 11. Establish a War Memorial Fund to be used at the discretion of the Selectmen for the maintenance and repair of the memorial, and to transfer any balances remaining in the Bi-centennial account and in the Peterborough Anniversary Fund to said War Memorial Fund. Motion passed.

Article 12. \$15,000 for restoration of the War Memorial and acquisition of a plaque honoring the Vietnam Veterans. Motion passed.

Article 13. Insulate the Town House and former Fire Station for \$4,195. Motion passed.

Article 14. Class IV and V Highways \$1,464.31. Motion passed.

Article 15. Accept from the State of New Hampshire \$27,269.30 in Block Grant moneys restricted to highway usage. Passed as amended. Accept \$27,269.30 in Block Grant moneys restricted to highway usage and not to be used to build a fence around the Highway Department property. Amendment passed.

Article 16, 17, 18. Moved that these articles be passed over at this time and be considered at a recessed Town Meeting on June 7, 1977. (Landfill and recycling)

Article 19. \$4000 to replace a 1968 Tow Broom for the Public Works Dept. Motion passed.

Article 20. Replace a utility truck and plow for the Public Works Dept. \$9500. Motion passed.

Article 21. Adopt the Animal Control Ordinance and to appoint a dog constable-dog constable's fees to be paid from dog license fees. Motion passed.

Articles 22. \$6500 to obtain an engineering study and specifications relating to maintenance work that may be needed on walls and dams on Main Street and Grove St. Motion passed.

Article 23. \$4200 for replacement of police cruiser. Motion passed.

Article 24. Selectmen to appoint and work with a committee to examine the long range needs of the Police Department. Passed as amended.

The town instruct the Selectmen, in their role as Police Commissioners, to appoint a committee of five to work with them in a study of the long-range needs of

the Police Dept., with the understanding that the committee make a report to a recessed session of the Town Meeting to be held no later than September 13, 1977. Amendment passed.

Article 25. \$1,023.02 to replace a hand held transceiver for the Fire Dept. Motion passed.

Article 26. \$2000 from the income of Albert W. Noone Fund for renovations at the former Fire Station. Motion lost.

Moved to refer to committee article 26; that the committee be composed of one Selectmen, one Budget Committee member, one Recreation Committee member, one Fire Department member, and a person from the general public; also that any occupancy of the former fire station be deferred until after said committee reports its recommendations to the adjourned Town Meeting June 7, 1977. Amendment passed.

Article 27. Transfer managerial jurisdiction of a certain parcel of land at Evans Flats from the Public Works Dept. to the Recreation Dept. for future recreational areas provided that the Department of Public Works retain the right to deposit snow on the parcel. Motion passed.

Article 28. \$1500 to complete the landscaping at Adams Playground.

Article 29. Recreation Committee to seek and accept 100% Federal and/or State funding for reconstruction of the hockey facility at Adams Playground. Motion lost.

Article 30. Library Trustees to acquire Franklin property on Concord St. for the expansion of the Town Library and anonymous gift of \$50,000 made to the Library Trustees be used for said purchase. Motion passed.

Article 31. \$12,000 to obtain architectural plans and specifications for the Library expansion. Motion passed.

Article 32. Conservation Commission with concurrence of the Selectmen to purchase Brous Dam and water rights on the Contoocook River in North Peterborough. Passed as amended.

Conservation Commission with the concurrence of the Selectmen to acquire Brous Dam, provided that professional engineering studies indicate that said dam can be repaired and improved for a reasonable sum approved by both the Conservation Commission and the Selectmen, and further, to authorize the Conservation Commission, with similar concurrence, to utilize for such acquisition and for dam improvement funds already voted by the Town for use by the Conservation Commission, to accept gifts of cash, land or other valuables for use in accepting and using such matching funds as may be available from Bureau of Outdoor Recreation. The purpose of the above is to create from the resulting flowed lands a scenic and recreational area for the use of the Town. Amendment passed.

Article 33. \$1,000 for use by the Conservation Commission to obtain professional engineering studies and recommendations on Brous Dam. Motion passed.

Article 34. \$1,500 to update the street lighting system. Motion passed.

Article 35. Selectmen to apply for, accept and utilize any Federal Funds that may become available, providing the Selectmen find it to be in the best interest of the Town.

Article 36. Article passed over.

Article 37. Grant Lloyd C. Reynolds Inc. an easement across Adams playground as required by the Planning Board for the purpose of installing a closed pipe drainage system. Motion lost.

Article 38. Accept and name Casalis Road as a town street subject to final inspection of the Superintendent of Public Works. Motion passed.

Article 39. Close subject to gates and bars, that portion of Burke Road commencing at the turn-around as shown on the recorded plans of Peterfield Phase II, and running northerly to the Greenfield town line. Passed as amended.

Town close, subject to gates and bars, that part of Burke Road commencing north of the driveway of Donald Ring, and running northerly to the Greenfield town line. Passed.

Article 40. Convey a certain portion of Scott-Winn Rd. right-of-way to Michael Sullivan for a sum to be determined by the Selectmen. Motion passed.

Article 41. Monadnock Visiting Nurse Association, Inc. \$5616. Motion passed.

Article 42. Monadnock Family and Mental Health Services \$2062. Motion passed.

Article 43. Monadnock Region Association \$1,939. Motion passed.

Article 44. \$1200 Monadnock Community Day Care Center. Motion passed.

Article 45. Monadnock Region Committee for the Arts \$2000. Motion lost.

Article 46. Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed. Motion passed.

Recessed Town Meeting June 7, 1977

Article 16, 17, 18. Moved that these articles be indefinitely postponed. Motion passed.

Article 24. Police Report to be heard June 29th. Motion passed.

Article 26. Annex Committee report on former Fire Station be accepted as presented. Passed as amended.

Cub Scouts be allowed to use the Town House Annex for cub meetings. Passed.

Article 32. Report on North Peterborough Dam project.

Recessed Town Meeting

June 29, 1977

Article 24. Report of the committee to examine the long range needs of the Police Dept. be accepted. Passed as amended.

Selectmen be instructed to implement the report as expeditiously as possible. Amendment passed.

Article 47. Moderator appoint 3 citizens to serve with the Selectmen as a search committee to interview and select a Chief of Police for the Town. Motion passed.

Special Town Meeting

June 29, 1977

Article 1. \$150,000 for acquisition of an incinerator and the construction and equipping of a building to enable the town to separate and incinerate solid waste material. Motion passed.

Article 2. Town enact ordinance requiring solid waste separation at the Town dump. Motion passed.

Article 3. Article passed over.

Article 4. Article passed over.

Article 5. \$17,698. for repairs of the Brous Dam at North Peterborough. Motion passed.

Special Town Meeting

September 1, 1977

Article 1. Repeal the ordinance relating to mandatory recycling adopted at Special Town Meeting held June 29, 1977. Motion passed.

Article 2. Purchase of an incinerator for solid waste disposal-voted that meeting be recessed until September 8, 1977 for the purpose of voting by written ballot. Motion passed.

Recessed Town Meeting

September 8, 1977

Voting on question of the incinerator-the incinerator vote has been rescinded.

REPORT OF BOARD OF SELECTMEN

This has been a year of turmoil and stress, but also a year of accomplishment. The Town has been shaken by several incidents yet it remains stable, respected, and solvent.

On the positive side we point with satisfaction to the new and expanded industries which have chosen to make Peterborough their home. Eastern Mountain Sports, Brookstone, New England Business Service, Arthur W. Whitcomb, Harris Construction, Valley Concrete, Wilder Motors, Derby's, Inc., Peterborough Agway all have confirmed their faith in the integrity of Peterborough by investing large sums in building and expansion programs.

Also on a positive note was the acquisition by the Town of the so-called Brous Dam in North Peterborough. Its subsequent repair added beauty to the passing scene and stability to our North Well water source.

The Town has for the first time adopted a meaningful Building Code and an Animal Control Ordinance, which, while in need of further thought and effort, is at least a start in solving long-standing problems.

Again from a positive position, the Town has presented a stable tax rate while not sacrificing service to the taxpayer. In fact, a modest tax reduction, which in the face of an inflationary economy must be considered a minor miracle.

That controversy arose is apparent to all. Problems within the Police Department rocked the Town and caused much soul searching among the residents, but, as usual, common sense and restraint prevailed and the issues were resolved quietly and firmly without any noticeable rent in the fabric of the Town's cohesiveness.

A new High Service Water System, to serve those residents in high elevations, was at last brought to fruition and serves today as a useful and needed source of good quality water to those who for years were provided poor quality water.

Remaining to be resolved is the continuing problem of how the Town is to dispose of its solid waste. Solutions are complex, expensive and limited. Much time and effort has been expended by concerned citizens culminating in a new proposal to be presented at the upcoming Town Meeting.

The retirement of our Chief of Police, Arthur Jackson, along with Fire Chief Merton Dyer and Deputy Chief Joseph Russell, and Librarian, Kay Taylor, found the Town seeking replacements to fill the positions so ably held for so many years by these dedicated public servants.

The Town has seen turmoil and accomplishment and, by the Grace of God, will continue to be a very special place to live, move and have our being. Many from far places have chosen to make their home among us because they have sensed and recognized the inherent honesty and decency of the people who make up Our Town.

Mark G. Wheeler, Chairman
James R. Lawn
Robert H. Grip
Board of Selectmen

REPORT OF SUPERINTENDENT OF PUBLIC WORKS RELATIVE TO ADMINISTRATION OF

Town Office
High Department
Water Department
Sewer Department

Town House
Trees & Forests
Parks
Cemeteries

Engineering

The following is a brief report of the departments that I have administered for the past year.

Town Office

This year can be best described as one of "hurry up and wait"; as usual the office staff, Mrs. Turner, Miss Baldwin and Miss Atkinson completed their tasks on schedule. We had our meeting with the tax commission early in September and then the waiting began.

The county budget was finally accepted and tax rates were set. The tax bills were sent two months later than usual due to the delay on the county level. This cost the taxpayers better than two thousand dollars in extra interest payments on borrowings.

Town House

A major but not expensive improvement was made to the Town House in the past year when ice stops were installed on the roof.

In the past, snow and ice would slide off the roof covering the sidewalk and breaking windows in the Town House. Fortunately no one was ever injured but the potential was always there.

Highway Department

The five year program for rebuilding Old Street Road was completed on schedule this year with the topping of the final section between Glen Drive and Sand Hill Road.

Two thousand feet of drainage and basins were installed on Sand Hill Road between Blueberry Lane and Houlders as a pre-requisite for a hot top leveling course and surface scheduled for 1978.

The usual one third of the streets were sealcoated.

The continuing problem of how to get the sand off the roads after its usefulness is past, took a step towards being solved when the Selectmen requested that moneys be budgeted for a rental sweeper in 1978.

Hot top overlays were installed on Hunter Farm Road and on Cheney Avenue.

Also on Cheney Avenue was an unscheduled emergency repair to hold up the retaining wall between Fernalds and Zimmermans. Several tons of material were hauled in to bolster the wall.

Another unscheduled project was to replace a narrow box culvert on Four Winds Road with a five foot pipe arch. The area over the pipe was widened to match the rest of the road.

Still another unscheduled project was the re-alignment of the intersection of Morrison Road and Old Sharon Road.

During the summer the Town crews were called upon to rebuild the Brous Dam at North Peterborough. Part of the deteriorating dam had washed away in the Spring freshet and the low water was affecting the capacity of the Town Well.

Three weeks and \$17,000.00 later water was flowing over the dam much to the glee of the many "sidewalk superintendents" that took their post daily to peruse the progress.

The snow removal effort of the Town was featured during the past winter by Channel 4 TV from Boston during the aftermath of a northeaster that crippled Boston. The pictures showed Peterborough streets bare and snow banks removed the morning after the storm. It was a much appreciated advertizement.

Water Department

The high water system was converted from pond water to well water early in January only 10 months after the Water Commissioners gave their approval to the project. For once in a lifetime the entire project went on line with no "bugs" and the users on the new system began receiving clean water.

The ancient chlorinator at Cunningham Pond has been replaced with modern equipment and the new system will be used for emergency water supply.

Our engineers, Whitman and Howard, Inc. have delivered the new system study report. This report shows how the system is working and outlines the work to be done for the next ten years to modernize the department.

A test well program was started to locate possible well sites for future development. The purpose of the program is to identify the sites and protect them until such time as we require additional supply.

Two potential high yield sites were located and several more locations are to be tested after the ground freezes making access possible.

Also currently in the works is a monitor and alarm system for the North Well. This will tie the North Well to the balance of the system and to Mutual Aid providing 24 hour surveillance.

The department added 14 new customers during the year.

Sewer Department

A new 800 foot sewer main was installed along Wilton Road for 73 Magazine Inc. under the Guaranteed Main Line Extension policy.

The department also added 3 new customers to the system.

Town Garage

After going some four months without a mechanic we were able finally to employ a qualified man and he managed to get our equipment back into sound order in the nick of time for the first storm.

We continue to provide service to all Town Departments and operate our own fleet inspection station.

Solid Waste

The only positive note was that new recycling bins were constructed at the site during the year.

The Town continues to be in violation of State directives. Several special Town Meetings were held, however, the results did not change the present operation.

Trees & Forests

Fifty-three dead trees were removed from Town streets this year and most of the wood was carted away by energy conscious citizens for use in their woodstoves.

Parks

Ted Brayton did his usual fine job in Putnam Park as did Bud Grant in Teixeira Park. Both parks were well maintained despite the numerous rainy days.

Putnam Park will have its shrubbery professionally maintained next season and both parks will be treated with lime and fertilizer.

Cemetery

A new section of single and double graves was laid out in Lower Pine Hill. Access roads will be constructed in the Spring and the area will be seeded.

Maintenance was contracted to Bud Grant again this year and he also did an excellent job despite the weather.

Town crews handled 41 burials during the year.

Engineering

Engineering projects were few this year as only one short sewer main was designed.

Tax maps were updated by the department again this year and are available to the public by individual sheet or entire package at cost.

Building Inspection

In April of this year, Mr. Harrison Kendall was employed as Building Inspector to coincide with the enactment of the building code. He will incorporate my report with his for the total valuations.

In conclusion I wish to express my appreciation to the Selectmen, my office staff, my foremen; Tom Weeks, Howard Parker, and Joe Hanson, The Public Works crewmen, fellow department heads and to you, our valued citizens for the understanding and support throughout the year.

Respectfully submitted,
John N. Isham
Superintendent of Public Works

BUDGET OF THE TOWN OF PETERBOROUGH

Purpose of Appropriation	Approp. Previous Fiscal Yr.	Actual Expend. Previous Fiscal Yr.	Approp. Ensuing Fiscal Yr. 1977 (1978-79)

CERTIFIED
PUBLIC ACCOUNTANTS

To the Board of Selectmen of the
Town of Peterborough

We have examined the financial statements (as indexed on the preceding page) of the Town of Peterborough as of December 31, 1977, and for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town has not maintained a record of its general fixed assets, and accordingly a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, the aforementioned financial statements present fairly the financial position of the various funds and departments of the Town of Peterborough as of December 31, 1977, and the results of the financial transactions for the year then ended, in conformity with generally accepted accounting principles applicable to government entities applied on a basis consistent with that of the preceding year.

Smith, Batchelder & Rugg

Keene, New Hampshire
February 6, 1978

41 SCHOOL STREET, BOX 663 • KEENE, NEW HAMPSHIRE 03431 • TEL 603/352-0609

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1977

1. SIGNIFICANT ACCOUNTING POLICIES

Department Reporting - The General Fund does not include the following departments or funds which are reported separately:

Water
Sewer
Cemetery
Library
Federal revenue sharing

Depreciation Policy - Water and Sewer - The Town charges to expenses annual amounts of depreciation which allocate the cost of the property, plant and equipment over their estimated useful lives. The Town uses the straight-line method for determining the annual charge for depreciation. The ranges of the estimated useful lives used are:

	<u>Years</u>
Water:	
Wells and pumping stations	10-33
Purification plant	5-50
Storage tanks and distribution mains	5-77
Service entrances and meters	25
Hydrants	35-50
Other equipment	3-10
Sewer:	
Mains	35-50
Treatment plant and pumping station	30
Equipment	3

2. APPROPRIATED FUND BALANCE - GENERAL

Appropriated fund balance at December 31, 1977 represented the unexpended balance of special appropriations carried forward from 1977.

3. LONG-TERM DEBT - GENERAL

General long-term debt at December 31, 1977 represented the unpaid balance of the 4.10% sewer construction bonds. The bonds are payable in annual installments of \$185,000, plus interest, through 1980, and in annual installments of \$180,000, plus interest, from 1981 through 1990.

4. LONG-TERM DEBT - WATER

Notes payable to banks at December 31, 1977 consisted of:

4½% note for guaranteed main line extension, payable in annual installments of \$1,000, plus interest, through 1981	\$ 4,000
3½% note, payable in annual installments of \$20,000, plus interest, through 1987	200,000

5 3/4% note for guaranteed main line extension, payable in annual installments of \$850, plus interest, through 1989	3,246
4 1/2% note for guaranteed main line extension, payable in annual installments of \$900, plus interest, through 1992	13,500
5% note, payable in annual installments of \$17,500, plus interest, through 1997	350,000
	<u>570,746</u>
Less current portion	<u>40,250</u>
	<u>\$530,496</u>

5. LONG-TERM DEBT - SEWER

Notes payable to banks at December 31, 1977, all for guaranteed main line extensions, consisted of:

4 1/2% note, payable in annual installments of \$800, plus interest, through 1992	\$ 12,000
4 1/2% note, payable in annual installments of \$1,700, plus interest, through 1992	25,500
5.5% note, payable in annual installments of \$265, plus interest, through 1994	4,505
6% note, payable in annual installments of \$485, plus interest, through 1994	8,249
6% note, payable in annual installments of \$295, plus interest, through 1994	5,015
6% note, payable in annual installments of \$1,750, plus interest, through 1995	31,500
5.5% note, payable in annual installments of \$640, plus interest, through 1996	12,160
6% note, payable in annual installments of \$582, plus interest, through 1997	<u>11,658</u>
	<u>110,587</u>
Less current portion	<u>6,517</u>
	<u>\$104,070</u>

6. SEWER CONSTRUCTION ACCOUNT

In December 1977 the sewer construction account was closed. The account had been inactive for two years. The \$12,962 of assets and equity were transferred to the sewer department. The equity was added to the municipal investment.

LIBRARIAN'S REPORT FOR THE YEAR 1977

The most important event of the many exciting things that have happened in 1977 has been the development of the library expansion program made possible by the Town's approval at 1976's town meeting. Media records show what has happened during the last nine months. The Trustees, through much hard work and dedication, have established a building fund that is substantial.

Ann Geisel, Assistant Librarian, was appointed by the Board to be the new Director of the Town Library beginning January 1, 1978, the effective retirement date of the present librarian. Ann's professional background and work experience eminently qualify her for this important position.

Personal service to the community continues to be the major objective of the Town Library. Seekers of specific information find the answers in our heavily used Reference/Resource division. Special book trusts are used to develop and strengthen this area, one of the best services we provide.

Continuing education for the staff is another facet of service. Scholarship recipient Joan Butler, Children's Services, received her certificate upon completion of the Public Library Techniques course, University of New Hampshire, in July. The excellent quality of her children's programs and consistently high standards in book selection is a reflection of her conscientious and imaginative planning. She met with Ann Geisel, school library/media personnel and the librarian in December to explore ways of cooperation between public and school libraries. Book selection and purchasing, coordinating programs and the relationship between the town libraries and public schools in the Con-Val community were discussed. It should be stated at this time that the public library serves the entire community. We encourage the teachers to expose the children in their classes to a public library experience. The public library is one source for a continuing education throughout adulthood. The Town Library's book selection policy is toward a broader collection rather than curriculum-oriented as is the school library's book selection and purchasing policies.

New staff members are Ellen Hardsog and Elizabeth Ann Graves. Ellen joined the staff in September and has a Master's in Library Science from the University of Rhode Island and Elizabeth is a graduate of Mt. Holyoke and a life-long resident of the town.

Staff members attended many meetings and workshops of the District Advisory Council, N.H. Library Association, N.H. Library Council, New England Library Association Fall Conference; workshops and seminars on state department documents and their use, service center operations and responsibilities, and right-to-read programs. The librarian and her assistant attended hearings and spoke on HB 129 and HB 76 in Concord, relative to the statewide library development program.

The Adult Services program was efficiently carried out by Mrs. Geisel to the nursing home community. She spoke before several groups about the library services that are available. The Summer Readers' party feature the Little Red Wagon and "Big Bird" who awarded 77 certificates to the children who read over 1,300 books.

This year's annual report culminates over thirteen years of service to the community as head librarian. It has been a satisfying and enriching experience which has given me much pleasure and challenge. Mr. sincere thanks to the town

for its fine support and enthusiastic acceptance of the varied library programs we have presented; to the Library Board for its progressive policy decisions, guidance and confidence in me, and to my staff for loyalty and dedication to the tasks at hand.

Respectfully submitted:
Kathleen Taylor,
Librarian, ret. 12/31/77

HEALTH DEPARTMENT REPORT

My report for the year ending December 31st is as follows:

Tenant - Landlord Complaints	5
International Passports stamped with official seal of Town Health Officer. This includes approval of those passports held by our neighbors in adjoining Towns who do not have a seal.	61
Child care facilities inspected and approved	9
Cases of Hepatitis-A (Infectious)	2
Nursing Home Inspection	1
Liquor License approvals for non-profit organizations	2

I attended both Town Health Officers Round Table discussions, sponsored by the Monadnock Region Association. Number one problem behind sewage and waste disposal, appears to be the problem of housing for low income families, and their problem with substandard rental units.

Respectfully submitted,
Fred E. Murray
Health Officer

PETERBOROUGH POLICE DEPARTMENT

ANNUAL REPORT

TO THE HONORABLE BOARD OF SELECTMEN:

I herewith submit my Annual Report for the year ending Dec. 31, 1977

Statistics On Arrests

The Police Cruisers travelled approximately 165,000 miles.

Conclusion

I wish to take this opportunity to express my thanks to the Board of Selectmen, Members of the Police Department, Members of the State Police, Judge Kenneth Brighton, the ladies in the Town Offices, and the merchants and citizens of Peterborough for the cooperation given me in the performance of my duties as Chief of Police during the past year.

Respectfully submitted,

Arthur G. Jackson
Chief of Police

REPORT OF OVERSEER OF PUBLIC WELFARE

Although nine more requests for direct relief were received in 1977 than in 1976, most were of a temporary nature; such as waiting for approval of applications for participation in the Federal Food Stamp Program.

This departments budget requests for 1978 are less than 1977. Some disquieting news has appeared recently in State papers. One item indicates that at the end of two months into fiscal 1978, the N.H. Division of Welfare is facing a possible \$650,000.00 deficit at the end of June 30, 1979. Rising medical and nursing home costs plus an increasing number of people needing help are taking more money than the budget provides. In particular, costs are running ahead of projections in the area of Old Age Assistance, and Aid to the Totally Disabled. In these two categories the local communities reimburse the State at the rate of 50% of total cost. Any adjustments from a State level will have to be compensated for at the local level and this could adversely affect local budgets.

Four Hundred Ten Dollars and Ninety-Two Cents (\$410.92) were received from Common Trust Fund D, the John Q. Adams Fund, Almon T. Hovey Fund, Asgood Fund, and Malinda Upton Fund. These funds were distributed in time for Christmas. In addition One Hundred Five Dollars and Twenty-Five Cents (\$105.25) was distributed, representing 1977 income from Common Trust D, Overseer of Welfare Fund.

Respectfully submitted,
Fred E. Murray
Overseer of Public Welfare

CIVIL DEFENSE REPORT — 1978

Our report for this past year is full of many interesting situations, least of which was the lack of Flooding.

We did have a threat on 13-14 March. The Rivers reached a "bank full" condition only. There was no problem.

Maintenance of our usual Defense responsibilities was maintained.

We did have a Bomb scare on 8 November located on N. Pack Monadnock Mountain. This proved to be a de-activated "Dud" Bomb carelessly dropped from a plane during a practice drill over this area.

As a result of a DCPA (Defense Civil Preparedness Agency) order, we must now increase our Radiological capacity as a deterrent against possible Nuclear Attack. We have already received new Radiological equipment to augment training for this. This is of most importance.

We replaced the fine services of Mrs. Alta Cheney with Mrs. Dorothea Greene as secretary. Also we added three new members:

Col. William Jackson
Laurence E. Fullerton
Douglas Anderson

Radiological Officer
Administration
Communications

Respectfully submitted,
Carl W. Wood, Director
Peterborough Civil Defense

REPORT OF THE FIRE DEPARTMENT 1977

1977 was an active year for the fire department, in many areas, over the previous years. The fire fighting activity during 1977 showed an increase in man hours but the dollar loss was held to a minimum. This is a result of people reporting the fires at the earliest possible time and good fire safety habits at home and at work.

A breakdown of the fire calls is as follows:

- A. 13 building fires,
- B. 16 chimney fires,
- C. 15 outside fires,
- D. 37 auto fires and assist at auto accidents,
- E. 28 malfunctions of automatic alarms,
- F. 2 false alarms,
- G. 19 mutual aid calls.

A. Four of the structural fires caused some damage, the others were of minor nature.

B. 16 chimney fires is an indication of the increased numbers of stoves and fire places in use.

C. 15 outside fires were a decrease in this type of fire and was due in some degree to the wet weather and the burning of brush after obtaining permits.

D. Auto fires and auto accidents accounted for the greatest number of calls. As we also operate the ambulance, we respond with one engine and a rescue truck to all auto accidents that the ambulance responds to in Peterborough.

E. 28 malfunctions of automatic alarms is an increase over 1976. In some cases, it was improper adjustment of the equipment and in other cases, it was due to the sensivity of the equipment. All causes of malfunctions are traced down and changes made to reduce this type of call. Even with this increase, the fire department is in favor of automatic alarms as a means to protect life and get an early report of fire.

F. 19 mutual aid assistance calls were made to other towns in the immediate area and seven times we received assistance from others.

G. 2 false alarms; these are the alarms we must eliminate completely in that they are malicious in nature and can lead to serious fire problems.

The second major function of the fire department was the operation of the ambulance for Peterborough, Dublin, Hancock, Greenfield, Francestown, and Sharon. The ambulance is manned by 15 Emergency Medical Technicians, who are also fire fighters who have taken additional Emergency Medical Technicians Training.

In 1977, 489 calls were answered with a distance 9603 miles traveled.

Peterborough	307
Dublin	53
Hancock	38
Greenfield	32
Francestown	12
Sharon	2
Mutual Aid	9
(Jaffrey	6
New Ipswich	1
Rindge	1
Temple	1)

Trips-	
Logan Airport	1
Hanover	9
Concord	1
Keene	11
Mass. General	4
Manchester	7
New England Baptist	1
Deaconess	1
Crotched Mt. Hospital	1
Routine transfers	66
Emergencies	423

The 1973 Cadillac Ambulance is now five years old and we hope to put that in back-up status and purchase a second ambulance during 1978. With 489 calls, there were a few occasions when two ambulances were required and by purchasing one this year, we will be able to get more years out of our present one as a back-up ambulance.

The fire department has other activities such as monthly drills, monthly meetings, weekly checking of equipment, penny sales, fire prevention programs, and other inspections, meetings, and activities during the course of the year.

The fire department is one of the busiest departments of the town requiring over 8,000 man hours of effort a year.

In closing, we wish to thank the police department, highway department, department of civil defense, town house staff, Monadnock Community Hospital, and other groups for the assistance they gave us in 1977. We look forward to the same splendid cooperation in 1978.

But it is you, the citizens, we owe the most thanks for your support and your interest in fire safety and prevention to reduce our fire losses.

Merton S. Dyer, Chief
Lawrence Bishop, 1st Deputy Chief
Joseph Russell, 2nd Deputy Chief

FOREST FIRE WARDEN REPORT

Forest fire control in New Hampshire is a joint state and town/city responsibility (RSA 224).

The Director, Division of Forests and Lands (State Forester) appoints a forest fire warden and several deputy forest fire wardens in each town/city upon the recommendation of local authorities.

The local forest fire warden is responsible for forest fire prevention and suppression activities in his town. He regulates the kindling of outside fires when the ground is not covered with snow by the issuance of written permits only when conditions are safe. He is responsible for suppression with the town/city and state sharing the cost. Suppression costs in excess of $\frac{1}{4}$ of 1% of the assessed valuation of the town are assumed by the state.

The state provides training for the local fire organization and helps coordinate activities between towns/cities. The state also supports local forces with backup personnel, equipment, and supplies for suppression and prevention.

This combination of state and local cooperation, started in 1893, works well, for New Hampshire has enjoyed one of the smallest acreage losses due to forest fires in the United States for the past 25 years.

1977 Forest Fire Statistics		
	No. of Fires	No. of Acres
State	1,091	2,386
District	124	76 $\frac{1}{2}$

Forest Fire Warden

REPORT OF PLANNING BOARD

Since the 1977 Town Meeting, the Peterborough Planning Board has met on sixteen different occasions, has held fifteen public hearings, approved fourteen two-lot subdivisions, approved seven larger sub-divisions, made recommendations to the Board of Adjustment on three special exceptions, approved seven Commercial Site Plans and granted three discretionary easements. The Board also disapproved, because of high-water table, the development of the Merzi Land on the Old Bennington Road and the Rideout Land on the Greenfield Road. The following subdivisions of more than two lots were approved by the Board:

Richard Gysan, Carley Road (7 lots).

Keenan Construction Corporation, Old Street Road (8 lots).

Edith Wilder, Route 202, North (3 lots).

Walter Sweeney, MacDowell Road (3 lots).

Donald Graves, Arundal Road (7 lots—revised downward from previous 9 lot approval).

John Davis Estate, Cunningham Pond Road (6 lots).

Mary Ellen Russell Butterfield, Four Winds Road (6 lots—9 lots on Cornish Road disapproved).

Elizabeth Yates McGreal, Shieling Home Place, Retirement Community on Old Street Road (10 units).

Peterborough Industrial Development Corporation Retirement Community, Route 202 North (54 units).

Major site plan approvals were the New England Business Service 43,000 square foot expansion and the Brookstone Company's 72,000 square foot expansion, both at the Industrial Park in North Peterborough. The Board also reviewed the Monadnock Community Hospital's 10,000 square foot expansion plans.

The Board voted to reprint the Zoning, Subdivision, and other building ordinances Booklet. The proofs are now being prepared and is expected that the Ordinances will be printed in loose-leaf form so that future changes will only require updating of existing pages rather than an entire booklet.

Peterborough Industrial Development Corporation has requested that the Planning Board consider one-half acre lots for single-family residential development in certain areas of Town if serviced by Town Water and Town Sewer. The Board presently has the matter under study.

The Peterborough Chamber of Commerce volunteered to conduct a census and housing study of the entire town which will be extremely beneficial to the Planning Board in its planning activities for the foreseeable future. The Board is most grateful to the Chamber of Commerce in performing this service and is eagerly looking forward to the statistical results of that effort.

Fire Chief Merton Dyer appeared before the Board to discuss the possibility of the Town adopting the Life Safety Code (1976 Edition) as promulgated by the National Fire Protection Association. The Board has recommended to Chief Dyer that an Article be placed in the 1978 Town Warrant asking the Moderator to appoint a committee to study this code and make recommendations for its adoption for the 1979 Town Meeting. The Board strongly recommends that the Town become an official member of the "Building Officials and Code Administrators International", which is the author of the "BOCA Basic Building Code". The Board feels that such membership will be extremely worthwhile to the Building Inspector in particular and the community as a whole.

The Planning Board is fully cognizant of the comments of many citizens of this community that land and housing in Peterborough has become too expensive and

that Peterborough is in danger of becoming a one-class Town. However, this is not a local phenomenon, and much of the cause is due to factors beyond the control of the Town. The Board also realizes that as long as the real estate tax is the prime source of revenue for the community, rapid growth will be an expensive experience for the Town. As the recession of 1973-74 fades into history, the relentless pressures of growth are again facing Peterborough and extensive study and planning and perhaps revisions to existing zoning and subdivision regulations will be necessary if the Town is going to adequately cope with these pressures. The Board is recommending that the Town join the Southwestern New Hampshire Regional Planning Commission, whose professional planning staff would then be in a position to assist the Planning Board and the Town is coping with these growth problems.

On May 22, 1967, Socrates Kereazis was appointed a member of the Peterborough Planning Board to succeed his late father-in-law, Martin J. Keenan. Mr. Kereazis retired from the Board after its March 21, 1977 meeting. The following resolution has been unanimously adopted by the Board:

WHEREAS, Socrates W. Kereazis served on the Peterborough Planning Board from May, 1967 until his retirement in March of 1977; and

WHEREAS, Mr. Kereazis was a conscientious, devoted and constructive member of the Board; and

WHEREAS, Mr. Kereazis's service on the Board contributed substantially to the betterment of our community through his intelligent, and impartial judgment on the many matters he was called upon to consider;

Therefore, the Peterborough Planning Board, on this 20th day of February, 1978, takes official recognition of the retirement of Mr. Kereazis and extends to him its sincere thanks for his decade of dedicated efforts on behalf of the Town of Peterborough.

Also, that this resolution shall be made a part of the official record of the Peterborough Planning Board and the Chairman is directed to send a copy to Mr. Kereazis.

REPORT OF THE PETERBOROUGH BOARD OF ADJUSTMENT

The Peterborough Board of Adjustment considered fifteen applications during 1977. Most of these were requests for either a special exception or a variance. A special exception allows the use of property for a particular purpose stated in the Zoning Ordinance if the Board determines that the use will not adversely affect other neighboring properties and will be consistent with the overall character of the respective zoning district. On the other hand, a request for a variance asks the Board to permit something that is not provided for in the Zoning Ordinance at all, and usually requires the applicant to show that some undue hardship will result unless he receives the variance.

In the Family Zone, one variance application was granted, permitting a swimming pool to be constructed closer to the side boundary line than the ordinary setback requirement. Two variance applications were denied, one of which requested permission to construct a sign larger than the permissible size, and the second of which sought approval to consider two separate road frontages for a lot in order to obtain the total required frontage.

Three applications concerned property in the General Residence Zone. The Board granted the request of the Library Study Committee for a special exception to allow the addition to the Library building. Also granted was an application to use land in West Peterborough for storage and maintenance of heavy industrial equipment, including erecting a building to house such equipment.

In the Commercial Zone, the Board denied an application for a variance of the side line setback requirements to permit the erection of a display case.

The Board considered and granted two applications for special exceptions in the Industrial Zone, one of which permitted the erection of a concrete plant, and the other of which permitted the storage of petroleum, excavation of sand and gravel, and production of concrete and asphalt, both subject to numerous protective conditions.

Five applications were received and considered for property in the Rural Zone. The Board granted a request for a variance in order to permit the subdivision of land with one parcel retaining only a driveway to the State right of way. Also permitted was an application for a special exception to build a clustered residential development consisting of small apartment houses to be used as a retirement community, and a request for a special exception to allow construction of a club house on property owned by a local social organization. In addition, the Board granted a request for a special exception to permit construction of a building complex to be used for research, development and light manufacturing of solar heating systems.

One application was considered as an appeal from the denial of a building permit by the Peterborough Building Inspector, in accordance with the provisions of the Building Code adopted by the 1977 Town Meeting. The Board upheld the decision of the Building Inspector, denying a request to construct a new home on a slab foundation, instead of on concrete footings otherwise required by the Code.

All in all, the Board continued its apparent trend of recent years to deny requests for variances of use restrictions, except in extraordinary cases, but to grant variances of setback, frontage and other such requirements where reasonably

necessary and appropriate, and to permit uses by special exception subject to conditions consistent with the spirit and intent of the Zoning Ordinance.

L. Phillips Runyon, Chairman

REPORT OF BUILDING INSPECTOR

I was appointed Building Inspector for the Town of Peterborough, June 1, 1977. It has been very interesting and a pleasure to hold such a position.

I have met many new contractors and carpenters that have cooperated in every way.

The Building Code, being new in Town is working very well.

I would like to thank all the contractors and home owners for their cooperation and accepting me as a friend.

Building permits totaling \$5,798,197.00 in valuation were issued in 1977.

The breakdown is as follows:

Dwelling Units	No.	Valuation
Single Family	32	\$1,595,300.00
Multi Family	3	1,000,000.00
Commercial Buildings	2	92,900.00
Industrial Buildings	6	2,694,000.00
Residential Renovations	23	182,790.00
Commercial Renovations	5	39,157.00
Industrial Renovations	2	65,000.00
Miscellaneous	33	129,050.00
TOTALS	106	\$5,798,197.00
Demolitions	1	

Respectfully Submitted,
Harrison L. Kendall
Building Inspector

REPORT OF THE PETERBOROUGH CONSERVATION COMMISSION

The year 1977 began for the Conservation Commission with approval at Town Meeting to purchase, with some of its reserve funds, the Brous Dam at North Peterborough on the Contoocook River, and, with a special appropriation, to conduct an engineering survey to determine how best to repair the break in the dam, and at what reasonable cost. The New Hampshire Water Resources Board had recently indicated their concurrence with this project, having rated the dam as "non-menacing".

With negotiations for the engineering survey nearing completion late in March, a sudden seven foot drop in water level at the North Well, long reliable for the Town's water supply, coincident with a similar drop in the river flow, precipitated immediate action by the DPW and the Selectmen to repair the dam with Town resources. A return to normal Spring water level at the North Well marked the successful completion of the dam's repair, to the DPW's credit, and the relief of our Commission.

Meanwhile, the Commission completed its survey of necessary land taking for perpetual care and maintenance of the dam and river flow, involving eventual subdivision, all of which lead to the final preparation of the deed. More immediate is the public interest now focused on the potential scenic site of the former north abutment of the old stone bridge just below the dam. For years the view up river of the flowed lands, with the water cascading over the dam in the foreground, has been a favorite scenic aspect of Peterborough's environment. The Commission hopes to preserve it.

For the future, maintenance of a constant water level from season to season will be the Commission's principal concern. According to Corps of Engineers findings, there is a clearly defined high water level which, across the intervening wetlands, provides a protective eight foot gradient between the stated intermediate flood level of the river opposite the lower end of Sand Hill Road, and the actual crest of the dam. Between the Selectmen and the Commission it has been agreed that the DPW will handle the actual operation of the dam in maintaining seasonal water levels.

The Commission, when purchase of the dam has been consummated, will next proceed to develop the recreational opportunities within the flowed land area above the dam for picnicing, boating, swimming and other aquatic sports.

While people were involved with the last of winter's storms, word spread through the Monadnock Region that Tenneco Atlantic Pipeline Company (TAPCO) contemplated, over the next five years, construction of an "LNG" pipeline from New Brunswick to New York State, across Maine and New Hampshire. The proposed corridor would traverse arbitrarily the local communities of Francestown, Greenfield, Peterborough, Dublin, Jaffrey and Fitzwilliam, as well as others to the east and west of the Region. When a line of red marks appeared demonstrating that the pipeline route would traverse, through Peterborough, a diagonal course from northeast to southwest, it became obvious that, aside from extensive invasion of private property, its most serious impact would arise from the possibility of the 36" pipeline choking off the water recharge area which supplies the Town's major North Well.

Upon such overall threat, Peterborough's Conservation Commission joined with similar groups from the other five Regional Towns to form COPE, an organization to promote the adoption of an alternative route following the power line right of way of the New Hampshire Public Service Company, from Rochester around the Monadnock Region to Fitzwilliam. In due course COPE became an intervener before the Federal Power Commission and engaged Robert Backus to present their case. The joint use of the Public Service right of way has, inherently, both an economic and a regional advantage.

After various disturbing experiences in the course of the Federal Power Commission hearings, word came that TAPCO would agree to follow the Public Service right of way, although final authorization of the pipeline project has yet to be announced.

MacDowell Lake, north of the flood control dam at West Peterborough, has long provided a remote wild life area, filled with notable wetland flora but frequented by only few ardent hunters. Early this Spring, with the interest of creating a waterfowl breeding area, the New Hampshire Fish and Game Department proposed to construct a weir at the site of the old mill dam just north of Spring Road, to form a pool out of the surrounding wetlands, in order to encourage greater waterfowl nesting along its secluded shore line.

Such flooding would, unfortunately, submerge areas used for many years by Sargent Camp for study of the native wild and wetland plants. Out of a conference with both the Corps of Engineers and the Fish and Game Department a plan of trails was approved, to be constructed and maintained by Sargent Camp and this Commission. These trails would then open up the area for nature study groups. It is expected that the Fish and Game Department will hereafter, by posting, protect the area from hunting in season. The study groups originate both from the Camp and from neighboring schools and outdoor associations.

Repeated vandalism in Putnam Park during recent months has necessitated joint action between the Park Committee, our Commission and the PWD, to provide for periodic removal of debris, relocation of tables and benches, removal of the drinking fountain and a schedule of periodic patrol. Plans are also to be worked out to improve the landscaping and to re prune trees and shrubs next Spring.

The Commission has, this Autumn, undertaken to explore the forestry potentials of its property on East Mountain Road and the possibility of opening up a trail leading to the roadway on the shoulder of South Pack Monadnock.

The Commission is grateful to the Selectmen for placing under its jurisdiction a sizeable tract of wetlands and hemlock swamp on the easterly side of Happy Valley, as another step in the Town's program to conserve its natural water resources.

Of future significance is the establishment, this early Autumn, of the Merrimack River Watershed Council as a part of the New England River Basin Commission, both being joint administrative authorities of Massachusetts and New Hampshire. The Watershed Council has priority interests in the environmentally critical and sensitive areas of the main river and its tributaries and, in turn, provides assurance of maintaining local clean water goals. Already the watershed and wetland concerns of Peterborough, with its surrounding communities, warrant

additional cooperative relations such as this Watershed Council offers, and which can become of marked value to your Commission and the Town over the years.

Respectfully submitted,
Peterborough Conservation Commission

REPORT OF DOG CONSTABLE

The following is a brief summation of the activities of the dog constable since the Animal Control Ordinance was enacted at Town Meeting.

Dogs confined overnight and claimed by owners	30
Stray dogs confined 10 days	15
Stray dogs given away	12
Stray dogs destroyed	3
Dogs killed on highway	2
Complaints answered	273

Respectfully Submitted,
William Henderson
Dog Constable
